SKY MIND RETREATS

MEDICAL QUESTIONNAIRE

Sky Mind retreats take place in the backcountry. On backpacking retreats we carry all our equipment in packs weighing 35-45 pounds. On some supported trips, we carry daypacks for up to eight miles. You do not need to be an athlete to participate in a Sky Mind retreat, but you do need to be in good physical condition, participating in a regular exercise program. If you are not sure of your physical capabilities now, talk with us about your concerns. We will be happy to talk with you about a conditioning program that suits you.

SKY MIND RETREATS RELEASE FORM

In consideration of the services of Sky Mind Retreats, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "SMR"), I hereby agree to release, indemnify, and discharge SMR, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estates as follows:

1. I acknowledge that my participation in hiking, camping, canoeing, and backpacking activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: slipping and falling; falling objects; water hazards; exhaustion; exposure to temperature and weather extremes which could cause hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; and exposure to potentially dangerous wild animals, insect bites and stings, and hazardous plant life; equipment failure; and improper lifting or carrying.

Furthermore SMR employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warning or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless SMR from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of SMR's equipment or facilities, including any such claims which allege negligent acts or omissions of SMR.

4. Should SMR or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event I file a lawsuit against SMR, I agree to do so solely in the state of California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against SMR on the basis of any claim from which I have released them herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
